

Bingas Electrical Electronics and Solar System - Price List for KSEB Soura Ph 2 Subsidy Programme with Polycrystalline Modules

SOURA SUBSIDY SCHEME -PRICE LIST with new GST rates- M/s Bingas Electrical Electronics and Solar System (As per Ministry of Finance Notification No. 8 dated 30.9.2021, GST rates for RTS plants revised to 13.8%. Hence the previously published rates are revised. The rates for different plant combinations furnished by M/s Bingas Electrical Electronics and Solar System is as below. The rates are tentative and slight variation may occur in the final bills.)

1. Rate per kW with Polycrystalline modules - Rs.51,152.12 per kW (>3 to 10 kW)
2. Subsidy is calculated based on Module capacity/ Inverter Capacity whichever is less.
3. Subsidy will be limited to MNRE benchmark rate.
4. MNRE Benchmark Cost for RTS plants -Rs.41,000/- per kW (>3 to 10 kW) ,Rs.38,000/- per kW (> 10 to 100 kW)
5. Subsidy - 40 % up to 3 kW + 20 % above 3 to 10 kW
